

Church Adopts School

Love For Children: Kathy Ruhl loves children, and has been involved in teaching children for 30 years. On November 27 she received her Teaching Children Effectively™ (TCE™) Level 1 certificate during a Sunday morning service at Heartland Grace Brethren Church.

Adoption: Mr. Baer also presented a certificate of adoption

to Pastor John Shirley on the same day to Heartland Grace Brethren Church. This church has now officially adopted the Cardington—Lincoln Elementary School in Cardington.

Why Adopt a School? CEF partners with churches to adopt public schools so Good News Clubs® (GNC®) can get started and children can come to know Jesus as their Savior! CEF has a goal to see many GNC children actively involved in local churches.

What are you doing next summer?

What is a 5-Day Club? For five consecutive days (2 hours each day) children gather to hear Bible lessons, sing songs, listen to missionary stories, hear the Gospel, eat snacks and play games!

Who, me? Anyone who is 12 years of age or older can reach children for Jesus!

Statistics! 85% of all who accept Christ do so between the ages of four and fourteen, when they are children! Reaching children for Christ is spiritually a highly productive ministry. Recently CEF workers in the USA and around the world have shared the Gospel to over 10 million children in just one year! You can be a part of this! Now is a good time to let us know if you are interested in seeing children come to Christ in 2012!

Coins 4 Kids Fall 2011 Fundraiser Wraps Up

Our “Coins 4 Kids” annual fundraiser was very successful. Banks (cans) went out to 29 churches in our five county area in September and were returned in mid-November. Coordinators, Shirley Davidson & Gail Graham, did a great job recruiting liaisons at each church. A big thank you goes out to each one who set up the displays and collected cans for CEF. Thanks also to the participating pastors and churches. **God provided over \$7,000 which will be used to reach boys and girls with the gospel.** Thanks to all those who donated. “Jealousy-Made Real to Children!”

Shelly Jandowski, who teaches the Walkerton Good News Club in Indiana, shares a real life lesson with her class. Talking about Saul’s jealousy towards David, she illustrated how easy it is to become jealous.

Teaching Technique: She let one student answer all the review questions and rewarded her candy for each question, even if others helped her or if it wasn’t quite right. When asked to share her candy she said “no” as Shelly had instructed her to.

Children Jealous: Pretty soon the whole class was upset with Shelly and the student. Shelly pointed out how they were even saying unkind things about the student because they were jealous. She pointed out that their jealousy was over a little bit of candy. When one boy was picked up from the club he told his mother “we can never be jealous”! Children are learning Biblical principles that affect their lives. Thanks Shelly, and all our teachers and helpers, for making a difference in the lives of children!

Birthday Party for Jesus!

Do you have the gift of hospitality? If you have hosted a party lately you know how much work it takes. Kitty Halfhill invited over 100 parents and children, whom she knew from her **Sonshine Express** bus ministry, to a birthday party for Jesus. Over 50 people came and enjoyed a wonderful meal (e.g. mashed potatoes, ham, beans and cake).

After the meal we sang some Christmas carols and then Mr. Baer shared “**The Extreme Christmas Gift**” with everyone and encouraged one and all to trust in the Lord Jesus Christ as their Savior to receive the **GREATEST GIFT OF ALL— ETERNAL LIFE!**
