Morrow-Ashland-Richland-Crawford-Knox Counties

Fairs Conclude with Loudonville in October

This young man won the daily drawing at the Wordless Book Tent

At the Morrow County Fair a little boy came up to **Nancy Ryan** after she shared the Gospel with him. He said, "**Can I pray to get saved right now?**" On his own he asked Jesus to save him from his sins! Then he sat down on a bench in front of Dale and he explained more of what it means to be a Christian while painting his face! Praise the Lord!

At the Ashland County Fair (ACF) last week, volunteer **Dan Fruth** led a girl (9 years old) to Christ with the Wordless book (assurance)

and then later he led two boys (6 & 7 years of age) to Christ (while Dale painted their faces) which was their first time commitment to Jesus! Dan told me this was the first time he has ever led children to Christ! The TCE (Teaching Children Effectively) Level 1 course gave him the confidence and direction to do so. Also at the Ashland County Fair, **Linda Horst** led four teens to the Lord with the Wordless Book while she was painting their faces! Pray for Calvary Baptist Church and Linda as they follow up on the Ashland Fair!

Knox County Quick Start!

What does 6 plus 4 equal??

You guessed it! 10, which is the number of hours for the first Quick Start training in our five counties to prepare people for starting a Good News Club® at East Knox Elementary.

On August 20 a six hour training was conducted using the Quick

Start Good News Club training DVDs. Then on August 27 another four hour training was conducted to prepare volunteers for starting the Good News Club. This new type of training uses professional videos from the CEF International Headquarters! Patty Arvidson and Dale Baer facilitated the training with additional hand-outs.

In November we are planning to conduct another Quick Start GNC Training at Centerburg Free Will Baptist Church to prepare them for starting another club at the Centerburg Elementary School. Pray that the Lord will open all the doors to make this possible with the 10 volunteers ready to help!

Fueled By Prayer

When I first heard about Fueled By Prayer a few years ago, I thought "Really? Who pays a person to pray?" Let me tell you about Fueled By Prayer (FBP). Fueled By Prayer is an international prayer ministry whose purpose is to encourage Christians all over the world to join in group prayer. This is accomplished on a call-

ing line with participants taking turns praying as the Lord leads. This ministry is God's vision given to Jimmie Borders, who is the owner of several businesses. God's vision given to Jimmie is to have Christians calling in daily and praying together, to strengthen and edify the

body of Christ. God called Jimmie to tithe from his many businesses into any ministry taking part in FBP. His goal is to tithe 2 million dollars into FBP each year. Our CEF Chapter has partnered with FBP for several years, and we receive checks periodically from FBP for the times we call in and pray. Our Chapter has received as much as

\$3,000 in a year for praying. PLEASE keep in mind that the spirit of this endeavor is **FIRST AND FOREMOST PRAYER**. The secondary purpose is to provide support for Christian ministries all over the world like CEF. What happens when you call? FBP has a moderator for every hour 24/7. When

Morrow County Networking

We are grateful for our newest committee member, Laurie Meggitt will represent CEF in Morrow County. Laurie is married 24 years with six children and 14 grandchildren. Her hobbies include a love of reading, studying God's Word, and swimming. Time with family and grandkids is a high priority. Laurie shared with me that she loves to pray early in the morning, and her grandkids know she's praying. She enjoys studying the Word of God, specifically reform theology. Laurie's first connection with CEF was through her friend, Linda Hager. Linda asked her to consider helping with Good News Club® (GNC®) at Johnsville Solid Rock mobile homes. Laurie enjoyed this outreach and chose to take Teaching Chil-

dren Effectively™ (TCE™) last year to enhance her outreach and to become a trained teacher. Now she has started a Good News Club with her church, Edison Enterprise Baptist. Laurie enjoys teaching and interacting with children, seeing them come to Christ and grow in faith. Last year she helped with a GNC at Central Elementary and was able to lead her granddaughter to the Lord there during the club!

Deuteronomy 29:29 is a verse she appreciates: *"The secret things belong to the Lord our God, but the things that are revealed belong to us and to our children forever, that we may do all the words of this law."*

Laurie Meggitt, our newest committee member, is representing Morrow County and is involved in helping with three Good News Clubs.

Keep Pressing On

Patty Arvidson

It was time to start 5-Day Club, but there were no children yet. We went around the apartment complex and tried to round up some kids, but no one came. On day two, we finally gathered some together and started late with just five children. All five responded to the invitation to trust Jesus as their Savior! On Day three, 13 kids came, and more trusted in Jesus. I'm so glad we didn't give up after the first day.

Morning Prayers . . .

As we prepare for getting **Good News Clubs** started, my morning prayers are for all the workers and kids that will come, that all of us will be changed and will grow in ways we can't even imagine. As I pray, I can imagine each of the thousands of workers around the world, getting ready to take the most precious and important message to a whole

host of children who are waiting to hear. Many new souls will be saved this year; many new workers will be challenged to grow and do new things. I want to see the amazing things that God will do.
