Churches Encouraged through GNC

Below Pastor Mark Tuggle has a smiley, faithful 5th grade student helper who attends each week. She wishes more students her age were joining her. She accepted Jesus as her Savior at Good News Club® (GNC®) back in January and will be getting baptized on April 2nd. Centerburg Freewill Baptist is having a GNC that Sunday and has invited all of the kids and their families to join them. They will have the kids sing their songs and give them certificates. A GNC family has visited their church and two of their children prayed to receive Christ.

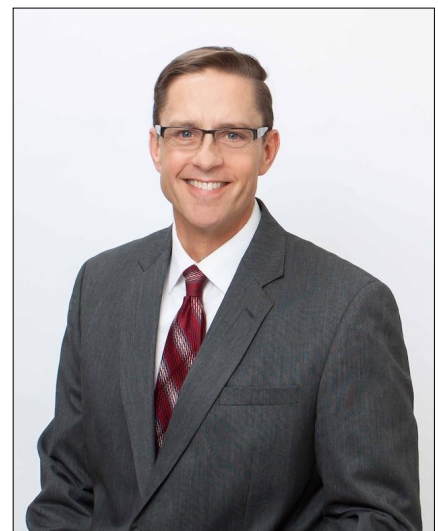

CEF committee member Laurie Meggitt teaches the Bible lesson at a new Good News Club at Park Street Elementary School in Mount Gilead. They have had ten children attend so far, and seven of the children have prayed to receive Christ as their Savior. Edison Enterprise Baptist Church has adopted this after school GNC.

Welcome, Bob Maxey!

Full of wisdom and many varied leadership experiences, Bob Maxey became a member of our CEF local committee. He and his wife JoAnn both became Christians after they were married and were disciplined initially through some good neighbor friends and then through five years with Bible Study Fellowship. They both see the importance of children needing to know the Lord. Bob has served with the Gideons since 2006, has served as President on several boards, and is an active member of Berean Baptist. Bob and JoAnn

have three adult children with 7 grandchildren. A little piece of trivia: His last job was with Haring Realty and before his recent retirement, he sold a home to Dale and Sue Baer in September 2022 and their previous home was sold the same week!

Bob is enjoying retirement from paid work, and we are thankful to have Bob as part of the CEF of MARCK team. We have already seen ways the Lord has used him on our committee. Some of his hobbies include fishing, gardening and woodworking.

Good News for Those who Have Never Heard

Patty Arvidson

Good News Club started in November and quickly grew from about thirteen kids to twenty-five, then thirty. Right after New Years, we started again and a few more were added. One little girl came in and greeted us. She heard the other kids saying their memory verses and asked what they were saying. I told her they were saying verses from the Bible. She asked what a Bible

was so we gave her one and explained that it is God's Word, and we would be learning from it each week. After club that day she asked me if she could live at school with us. I told her we didn't live there, but we would be back each week. She has learned a lot and now knows Jesus loves her. She trusted Jesus as her Savior and continues to grow as a child of God.
